PATENT ASSIGNMENT

WHEREAS MATUSHITA ELECTRIC INDUSTRIAL CO., LTD., (hereinafter "Assignor"), a corporation organized under the laws of Japan, and having a place of business at 1006, Oaza Kadoma, Kadoma-shi, Osaka, 571-8501 Japan, is the owner of U.S. patent application Serial No. 10/529,036, filed March 24, 2005, and the invention disclosed and claimed therein, hereinafter called the "Patent Property";

WHEREAS, said Assignor has desired to assign an undivided fifty percent (50%) of its right, title and interest in said Patent Property and any continuations, divisions, patents, reissues, certificates of re-examination, extensions thereof, and corresponding ownership rights, to HAYASHI INDUSTRIAL CO., LTD., (hereinafter "Assignee"), a corporation organized under the laws of Japan and having a place of business at 1363-1, Sendanbayashi, Nakatsugawa-shi, Gifu, 509-9131 Japan;

Now, To All Whom It May Concern: Be it known that for and in consideration of good and valuable considerations transferred to said Assignor, the receipt of which is hereby acknowledge, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over, unto Assignee its successors and assigns, an undivided fifty percent (50%) of Assignor's heretofore undivided rights, title and interest in and to said Patent Property, and any divisions, continuations, patents, reissues, re-examination certificates or extensions thereof; the same to be held and enjoyed jointly by Assignor and said Assignee, and their respective successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor alone had this assignment not been made, together with any and all claims for damages by reason of past infringement of said Patent Property with the right to sue for, and collect such

damages, for Assignor's and Assignee's joint use and for the use of their respective successors, assigns and other legal representatives.

The Assignor agrees to execute all papers reasonably necessary in connection with said Patent Property and any continuing, divisional or reissue applications or re-examinations thereof, should the Assignee deem same necessary or reasonably expedient to confirm the effect of this assignment.

The Assignor further agrees to execute all papers and documents and perform any act that as Assignor and Assignee may agree is reasonably necessary in connection with claims or provisions of any international convention or similar agreement affecting said Patent Property.

The Assignor hereby represents that it has the full right to convey the interest herein assigned, and that it has not executed and will not execute, any agreement in conflict herewith.

The Assignor grants the firm of Steptoe & Johnson LLP the power to insert on this Assignment any further identification that may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recording of this document.
